ABOUT US

KOKITEC SOLUTIONS LIMITED : is a dynamic and client-focused Kenyan enterprise, officially registered on October 21st, 2025. We specialize in a comprehensive range of essential services designed for residential, commercial, and industrial sectors throughout Kenya. Our foundation is built upon a vision to deliver integrated, reliable, and high-quality solutions, and we pride ourselves on our multifaceted expertise. This includes proficient Electrical Services, Professional Painting, comprehensive General Building Renovations, and the installation of advanced Electronics Systems.

At Kokitec Solutions, we deeply understand the critical interplay of functionality, aesthetics, and security in modern infrastructure. Our team comprises skilled professionals dedicated to transforming and enhancing spaces, ensuring paramount safety, and guaranteeing optimal performance across all projects. We achieve this through meticulous workmanship, a commitment to innovative approaches, and the application of industry best practices that meet and exceed Kenyan standards.

More than just service providers, we consider ourselves dedicated partners. We are committed to bringing our clients' visions to life, building lasting relationships founded on trust, exceptional quality, and an unwavering commitment to excellence. From ensuring the robust electrical powering of your premises to enhancing their aesthetic appeal, undertaking comprehensive structural renovations, and securing your assets with cutting-edge electronic systems, Kokitec Solutions is your reliable partner for a better-built and more efficient Kenya.

Core Values

Ethics and Compliance

- 1. SAFETY:** Prioritizing the well-being of staff, clients, and the community is a primary concern in the electrical industry due to its inherent risks.
- 2. QUALITY:** Striving for excellence in workmanship and innovative solutions to exceed customer expectations.
- 3. INTEGRITY:** Conducting business honestly and transparently.
- 4. CUSTOMER SATISFACTION:** Focusing on making clients successful and ensuring their satisfaction through effective communication and reliable service.
- 5. TEAMWORK:** Encouraging collaboration, mutual respect, and effective communication to achieve common goals and deliver projects efficiently.

Our Mission

To provide exceptional, integrated electrical, painting, building renovation, and electronic security solutions across Kenya, consistently delivering superior quality, unwavering safety, and unparalleled customer satisfaction, thereby contributing to the development of robust and sustainable infrastructure.

Our Vision

To be the leading and most trusted multi-disciplinary solutions provider in Kenya, recognized for our innovative approaches, technical expertise, and a steadfast commitment to elevating industry standards and enriching the lives of our clients and communities..

OUR SERVICES

EXPERT ELECTRICAL SOLUTIONS

At Kokitec Solutions Limited, we understand that a reliable and safe electrical system is the backbone of any modern building. Our certified electricians deliver a full spectrum of services, adhering to the highest safety standards and regulatory compliance across Kenya. We ensure your electrical infrastructure is efficient, robust, and future-proof.

INSTALLATION AND WIRING: From new constructions to system upgrades, we provide professional electrical installation and comprehensive wiring services for residential, commercial, and industrial properties. This includes power outlets, lighting systems, data cabling, and specialized equipment connections, all designed for optimal performance and safety.

MAINTENANCE AND REPAIRS: We offer routine maintenance services to prevent costly breakdowns and extend the lifespan of your electrical systems. Our skilled technicians are also adept at rapid diagnostics and efficient repairs of all electrical faults, minimizing downtime and ensuring continuous, safe operation.

PROFESSIONAL PAINTING SERVICES

Transforming spaces with color and precision, Kokitec Solutions Limited provides a wide array of professional painting services designed to enhance aesthetics, protect surfaces, and add significant value to your property. We use high-quality paints and employ meticulous techniques to ensure a flawless and lasting finish.

INTERIOR PAINTING: Elevate the ambiance of your indoor spaces with our expert interior painting services. We work closely with clients to select the perfect color schemes and finishes that reflect their style and purpose, ensuring a smooth, immaculate application on walls, ceilings, and trim.

EXTERIOR PAINTING: Protect and beautify your property's exterior with our durable and weather-resistant painting solutions. Our team handles all surface preparation, ensuring long-lasting finishes that withstand Kenya's diverse climate conditions and significantly boost curb appeal.

RESIDENTIAL PAINTING: From single rooms to entire homes, we provide tailored painting services that create comfortable and inviting living environments for homeowners.

ROOF PAINTING: Extend the life and improve the look of your roof with our specialized roof painting services, offering protection against the elements and enhancing overall property aesthetics.

COMMERCIAL AND INDUSTRIAL PAINTING: We deliver high-volume, high-quality painting solutions for commercial buildings, offices, retail spaces, and industrial facilities, working efficiently to minimize disruption and meet project deadlines.

OUR SERVICES

COMPREHENSIVE BUILDING RENOVATIONS

Kokitec Solutions Limited excels in bringing new life and enhanced functionality to existing structures through our comprehensive building renovation services. From initial concept to final execution, we manage every aspect of your renovation project with precision, creativity, and a commitment to quality, ensuring results that perfectly align with your vision and budget.

DESIGN & PLANNING: Our process begins with thorough design and planning, where we collaborate with clients to understand their needs, aesthetic preferences, and functional requirements. We provide expert advice and innovative design solutions to maximize space and enhance usability.

STRUCTURAL ASSESSMENT & WORK: We conduct detailed structural assessments to identify any underlying issues and ensure the integrity of the building. Our team is proficient in all aspects of structural work, including modifications, strengthening, and repairs, adhering to stringent safety standards.

SUPPLYING MATERIALS: We streamline the renovation process by supplying high-quality, durable building materials sourced from trusted vendors. This ensures consistency in quality, timely delivery, and cost-effectiveness for your project.

INTERIOR AND EXTERIOR UPGRADE: Whether it's a modern interior facelift or a refreshed exterior façade, we specialize in comprehensive upgrades that enhance both the aesthetics and functionality of your property. This includes new finishes, fittings, and design elements.

GENERAL BUILDING RENOVATIONS: Our expertise covers all forms of general building renovations, transforming spaces to meet contemporary standards, improve energy efficiency, or repurpose areas for new functions. We handle projects of all scales, delivering exceptional results every time.

OUR SERVICES

ADVANCED ELECTRONICS SYSTEMS & SECURITY EXPERTISE

In an increasingly connected world, robust and reliable electronic systems are crucial for security and efficiency. Kokitec Solutions Limited provides cutting-edge electronic solutions, specializing in surveillance and monitoring systems tailored to protect your assets and provide peace of mind.

SITE ASSESSMENT & SYSTEM DESIGN: We begin with a thorough on-site assessment to understand your specific security needs and architectural layout. Our experts then design a bespoke electronic security system, recommending the optimal placement and type of cameras, recording devices, and monitoring equipment for maximum coverage and effectiveness.

PROFESSIONAL INSTALLATION: Our certified technicians ensure the flawless installation of all electronic components, including state-of-the-art cameras (CCTV), Digital Video Recorders (DVRs), Network Video Recorders (NVRs), and other security peripherals. We ensure clean wiring, proper configuration, and seamless integration with your existing infrastructure.

RECORDING AND MONITORING EQUIPMENT SETUP: We configure and set up all recording and monitoring equipment, providing comprehensive training on its operation. This ensures you can effectively manage, review, and utilize your security footage for ongoing surveillance and incident response.
